This bill reflects BPU-approved changes in the Delivery and Supply portions of your electric bill effective on and after April 1, 2024. The increase in the Delivery portion of your bill is due to changes in the Societal Benefits Charge, offset by a decrease in the Solar Pilot Recovery Charge. The increase in the Supply portion of your bill is due to changes in the Transmission Charge. The overall impact for business customers will vary by individual customer usage. Tariff information may also be found at pseg.com.
