This bill reflects BPU-approved changes in the Supply and Delivery portions of your electric bill effective on and after June 1, 2024. The increase in the Supply portion of your bill is a result of the statewide supply auction that was approved by the BPU on February 8, 2024. The increase in the Delivery portion of your bill is due to changes in the Infrastructure Advancement Program. The overall impact for business customers will vary by individual customer usage.
